# AWARDS, CERTIFICATIONS & AFFILIATIONS

CERA has been recognised by its consumers for its brand value and its product innovations for a number of years now. Consumers have endorsed CERA as their preferred brand. They have chosen CERA in various researches that state CERA as an innovative and trusted brand. The recent awards include Superbrand and Readers Digest Trusted Brand awards. CERA's Core Urinal was voted as an innovation in 2019 by architects at Design Wall competition organised by The Economic Times Acetech.

## AWARDS

## CERTIFICATIONS

## AFFILIATIONS

# TECHNOLOGY

Technology lies at the heart of everything we create at CERA. CERA's state-of-the-art manufacturing plants are equipped with advanced machineries and equipment that are world-class and revolutionary.

## Sanitaryware

The sanitaryware manufacturing unit boasts of its own technologically-advanced machineries ranging from 3D prototype printer to CFD technology and robotic glazing machine to pressure casting machine.

### 3D Printing machine

First Indian company to introduce 3D printer

Quicker conversion of concept launches for new designs

**CFD Technology**

Helps in designing  
water-efficient  
products

**Robotic pressure casting**

For producing high-end  
sanitaryware in  
large quantities

**Robotic glazing**

Uniform and faster  
glazing ensures  
impeccable finish

# TECHNOLOGY

## Faucets

The faucet manufacturing plant is home to a series of cutting-edge machineries including peeling machine, 3D prototype printer, fully-automatic chrome plating unit, robotic grinding and polishing machines.

### Robotic grinding

Helps in creating finished surfaces for uniform electro-plating

### Automatic peeling machine

Gives impeccable body finish

### Automatic electro-plating

Ensures superior quality chrome finish

### 3D Printing

Quicker conversion of concept launches for new designs

# GREEN PRODUCTS WITH WATER SAVING TECHNOLOGY

## GREEN PRODUCTS FOR A GREENER PLANET

We, at CERA, stand for a greener planet. Which is why, we offer ecological hygienic solutions. Simply put, we offer products that save water and in turn, protect the planet. With a wide range of water-saving products with futuristic eco-designs and advanced technology, we strive for a better future. We call this “an idea for a better society”. Let's have a look on how we do this:

### A range of water-efficient EWCs

In today's time, it is important to make EWCs that saves precious water. More than 90% of CERA EWCs are designed to save 35% water in each usage. This is possible due to special design of inner bowl that needs only 3.9 litres flushing water instead of regular 6 litres and yet offer effective cleaning.

### Sensor urinals

Here's a smart way to a cleaner and healthier bathroom – the sensor urinals. Apart from the aesthetic design and stylish looks, these innovative products also offer ‘sense presence technology’, which initiates automatic flush mechanism. It flushes just 0.75 litres of water in every use, which includes pre and post use flushing.

### Futuristic sensor taps

CERA offers range of sensor taps which due to automatic on-off system saves upto 70% water in every usage. What's more, your safety has always been a priority to us. And we have designed CERA's range of sensor taps with zero contact, ensures 100% safety.

### Faucets with smart water-saving aerators

Taking forward the water saving concept, faucets manufactured at Cera are awarded a number of certifications such as WEP-I, GRIHA and GreenPro.

All the CERA faucets are fitted with aerator, which mixes air with water & gives splash-free gentle flow. Also we offer different water saving aerators which can save more than 50% water in every usage.

### Intelligent Eco-flow showers with turbo-air technology

Crafted with style, our Eco-flow showers are products of inspiring technology. They let you indulge in the luxury of an invigorating shower while saving water as well.

With Turbo-Air technology, our Eco-flow showers reduce water usage and encourage low scale buildup. By mixing air in the flow, our showers provide an oxy-rich, full flow experience while dispensing nearly 50% lesser water than conventional showers. Our showers regulate the flow according to water pressure, giving user a uniform and soft showering experience. These showers save big on water, electricity and energy.

**EcoFlow** Showers  
with **Turbo-Air**  
Technology

# CERA

SANITARYWARE COLLECTION

# SANITARYWARE PRODUCT FEATURES

The bathroom is one of the most important rooms in your home. So, while the design of the fitting matters, how much water it uses and how well it flushes matter even more. A good EWC conserves water and generates enough power to clean the bowl in a single flush – leading to efficient use of resources.

## Glazed Traps in EWCs

CERA EWCs are fully glazed across the product which includes inside of trap also where glaze can't reach. This ensures superior hygiene as glazed surface does not allow waste to accumulate. Fully glazed traps ensure effortless flushing & total waste removal.

This will further elevate hygiene factor in toilet.

### Normal vs Rimless wc

### Rimless EWCs

A rimless EWC uses a direct flush technique to shoot water around the edge of a smooth pan instead of the water flowing into the bowl through rim. Since there are no flushing rims, no dirt & germs can accumulate ensuring more hygienic solution than traditional EWCs. They are designed for better distribution of flushing water to ensure superior cleaning.

Rimless EWCs also have enhanced flushing techniques like Swirl (2D), 3D & 4D.

### EWCs with Siphonic flushing with jets

Typically, Siphonic EWCs have a long and narrow 'S' shaped trap way – one end of which opens into the inlet of the bowl and the other end links up with the bowl underneath the drain pipe.

This type of trap way designed with jets to ensure powerful flushing & total waste removal.

# SANITARYWARE PRODUCT FEATURES

## EWCs with nano-glaze

The nano glaze is new generation anti-bacterial technology which seals microscopic pores of ceramic surface so that dirt & grime will not settle on it.

In other words Nano glaze offers water repellent, stain resistant & scratch resistant ceramic surface ensuring utmost hygiene.

## EWCs with duroplast seat cover

Duroplast seat covers are fast replacing the conventional PP and wooden seat covers. They give a flowless look due to their ceramic like finish. They are also scratch resistant & durable.

With advancing technology, toilet seat cover now comes with specific add-on like click and remove technique. This allows easy removal of seat cover for thorough cleaning.

### Thin-rim tabletop washbasins

CERA's thin rim washbasins are a sight to behold with their modern sleek lines and finesse of shape--without sacrificing any of their functionality or durability.

These basins have easy to clean 5 mm thin rim improving overall aesthetics. Also these basins have more water holding capacity with no splash & better user experience.

### Warranty

CERA products are crafted with the highest standards of quality and workmanship. They are backed by prompt and efficient after-sales service.

Ceramic sanitaryware products come standard with a warranty of 10 years for residential use and 5 years for commercial use.

## Sanitaryware ICON GUIDE

**Green Pro (CII)**  
Sanitaryware products  
Manufacturing and  
flushing performance on products

# Distance varies depending on the length of the Cistern bend pipe

**Notes:** • Product upgradation is a continuous process in CERA. Therefore, the specifications may change from time to time. • Please verify the actual product for correct specifications, before purchase. • The colours of ceramic/plastic/stainless steel and other material used for manufacturing CERA range of products and those of printing inks do not match exactly. Therefore, colour selection may be done from actual products. • Whilst every precaution is taken in the compilation of our price list, we do not accept responsibility for any error or omission. • All dimensions are in millimetre (nominal). • Dimensional variations are inherent character of ceramic products and tolerances may be  $\pm 2\%$  or as specified by BIS or Company's quality norms. • Prices are subject to change without prior notice. • Warranty of the product will become null and void if the installation is not done as recommended by the Company and/or if not done by qualified and trained technicians. • This supersedes all previous price lists.

CERA

FAUCET COLLECTION

# FAUCET PRODUCT FEATURES

When it comes to doing up a bathroom, the fittings play an important role too. Apart from the utility of the faucets, they also increase the style quotient of a bathroom. And with the ever-evolving technology, they also allow us to save on water.

## European Cartridges

A cartridge is a main functional part of faucet. It mixes hot & cold water to user's comfort level, It also serves as regulator of water quantity.

Cera's cartridges are tested for 3 lakhs cycles & are suitable for 0.5-5 bar water pressure conditions.

### Aerators

Taking forward the water saving concept, faucets manufactured at Cera are awarded a number of certifications such as WEP-I, GRIHA and GreenPro.

All the CERA faucets are fitted with aerator, which mixes air with water & gives splash-free gentle flow. Also we offer different water saving aerators which can save more than 50% water in every usage.

### Evershine product finish & high corrosion resistance

The chrome plating, the surface of any faucets adds an impeccable finish to the product.

CERA faucets have a 11-13 microns thick nickle layer and 0.3-0.5 microns thick chrome plating which is much above the industry standards that result in better finish and durability. Also they are tested for 200 hours of neutral salt spray test ensuring corrosion free long life.

# FAUCET PRODUCT FEATURES

## Food grade rubber parts & lubricants

Quality Nylon and rubber parts - Food grade rubber parts-EPDM / Nitrile quality

Special food grade silicon lubricants - Unacted by petroleum products / Clean odourless water

Being classified as a food-grade lubricant means that the grease is not toxic when consumed and it doesn't have toxic additives like lead, lithium and zinc.

## Warranty

CERA products have been manufactured under the highest standards of quality and workmanship. CERA are backed by prompt and efficient after-sales service.

CERA faucets are warranted to be free of manufacturing defects in the material and workmanship for a period of 15 years in residential and 5 years in commercial use.

**15 years  
warranty**

## Concealed parts

Concealed Part For High Flow Concealed Diverter System

**F4030101**

Concealed body for high flow single lever concealed diverter system consisting of 45 mm cartridge with button Assembly, Cartridge Sleeve (but without operating lever, wall flange and tip ton knob)

**₹ 4320**

(Suitable for F1002721, F1003721, F2003721, F1001721, F2004721, F1007721, F1008721, F1009721, F1004721, F1005721, F1006721, F1010721, F1011721, F1014712, and F1014721)

Concealed Part For 5-way Concealed Diverter System

**F4020101**

Concealed body for 5-way single lever concealed diverter system consisting of cartridge with button Assembly, Cartridge Sleeve (but without operating lever, wall flange and tip ton knob)

**₹ 4750**

(Suitable for F1014711, F1014712, F1011711, F1009711, F1005711, F1010711, F1006711, F1007711, F1008711, F1004711, F1003711, F1002711, F1001711, F2003711 and F2004711)

Concealed Part For Single Lever Concealed Diverter System

**F4010101**

Concealed body for single lever concealed diverter system consisting of 40 mm cartridge with button Assembly, Cartridge Sleeve (but without operating lever, wall flange and tip ton knob)

**₹ 3615**

(Suitable for F1002701, F1003701, F2003701, F1001701, F2004701, F2008701, F1009701, F1008701, F1007701 and F1004701)

**F4010103**

Concealed body for single lever concealed diverter system consisting of 35 mm cartridge with button Assembly, Cartridge Sleeve (but without operating lever, wall flange and tip ton knob)

**₹ 3330**

(Suitable for F1005701, F1014701 and F1014702)

**F4010105**

Concealed body for turn type single lever concealed diverter system consisting of 40 mm cartridge with button Assembly, Cartridge Sleeve (but without operating lever, wall flange and tip ton knob)

**₹ 3880**

(Suitable for F1007703, F1004703, F1003703, F1002703, F1001703, F2003703, F2004703, and F2008703)

WELLNESS COLLECTION

## Wall-to-wall shower partitions

## Corner shower partitions

## C-shaped shower partition

## T-shaped shower partitions

## Walk-in shower partitions

## GLASS

## Features

## Benefits

## SAFETY-TEMPERED GLASS

- 5 times stronger than normal/annealed glass
- Resistant to heat and shocks due to impact
- Available in 8 mm & 10 mm thicknesses
- Available in clear & frosted glass for transparent or translucent looks

## LIMESCALE PROTECTION

- Nano coating gives an invisible yet long-lasting protection
- Resistant to scaling, stains, corrosion, scratches, and bacterial growth, thus making bathroom more hygienic
- Reduces the impact of exposure to environmental pollutants; reduces repairs, replacements, and the cost of maintenance
- Reduces cleaning time by 90%
- Optically clear

## CUSTOMISED

- Stylish frameless doors and glass panels customised to suit any shape and size

## UNMATCHED QUALITY &amp; SAFETY

## Fragmentation test

- To check breakage pattern of glass

## Impact/shock resistance test

- To check impact at a point by dropping a steel ball

## Visual defects

- For visual defect-free glass

## Waviness check

- For no visible waviness on tempered glass surface

## Bow/bending test

- To check straightness of glass

## STANDARDS

- Critical Product Parameters to ensure quality and hence ensuring safety for customers
- Reference: India
- IS 2553 (Part 1: 1990)
- IS 14900: 2000
- IS 2835: 1987
- Reference: Europe
- EN 14450: 2000
- Adheres to European toughening norms
- Conforms to the mix of both IS and European Standards

## HARDWARE

## Features

## Benefits

## Best quality available in satin &amp; gloss finishes

- SS 304 for enhanced safety and looks

## Max. 40 kg load for 2 hinges and 55 kg load for 3 hinges

- Combining aesthetics with strength and durability

## Self-closing mechanism closes door at 30° angle

- Protects the glass from impact

## Door swings 90° in &amp; 90° out

- Ease of use

## Swing door and sliding door options

- Ease of servicing

## 5-year warranty and service backup

- Customer satisfaction through peace of mind

## QUALITY WORK

## Site inspection, measurement, and installation by CERA-trained technicians
