DREAMING OF A BOLD VISION

Dreaming of a bold vision, striking a non-violent revolution, creating ground breaking technology, thinking ahead of times - people who made a huge difference in the world have embraced change. At AGL, we have been leading the change by continuous innovation, setting higher goals, achieving the unthinkable and creating new benchmarks. This has enabled us to emerge as a ₹1563Crores (\$204.42 Million consolidated Net turnover for year 2021-22) giant in the space decor industry. In the short span of 22 years, we are one of India's largest groups, with a global footprint across 100 countries globally.

ULTRA MODERN PLANTS

Asian Granito India Limited has debunked the myth that leadership in design is a forte only of foreign players by achieving the position through an ideal mix of creativity and technology. It has been the champion in bringing innovative digital printing technology to India. Technical collaboration with SACMI, Italy. A world class Quality Management System has enabled us to build a portfolio that is truly avant-garde.
